# Sonos™ Digital Music System

Sonos is the first and only multi-room digital music system with a wireless, full-color LCD screen controller that lets you play all your music, all over your home, and control it all from the palm of your hand. Sonos liberates the digital music that's stored on your home network so you can listen to it in any room in your house—from the bedroom to the backyard. And you don't need to have a PC in every room, a music server or a wireless network to do it. Just place any number of Sonos™ ZonePlayers and speakers anywhere in your home and grab hold of your wireless Sonos™ Controller to access all your digital music, no matter where it's stored.

Play all your digital music.
All over your house.

A Your digital music is here.

B Put Sonos ZonePlayers and speakers wherever you want music.

C Grab your wireless Sonos Controller and control it all from anywhere.

Sonos™ ZonePlayer (ZP100)

It distributes. It plays. It amplifies. For great sounding music, anywhere you choose.

Features

Wireless, multi-room digital music	ZonePlayers can go anywhere and connect wirelessly when a wired Ethernet connection is not available. Play the same song in different rooms, or different songs in different rooms—simultaneously. *The first ZonePlayer you install must connect to your home network using a standard Ethernet cable.*
Superior audio quality	Built-in 50W/channel amplifier powers large or small speakers with component-quality sound.
Easy set up	Automatic wired or wireless set up. Add new ZonePlayers with one button-press.
Analog audio input with digital encoding	Music from an external audio source (such as a CD player, radio or MP3 player) can be connected to a ZP100 and played by all ZonePlayers in the system.

Technical Specifications*

Amplifier	50W minimum RMS per channel (8 ohms, 20-20 kHz, THD+N < 0.02%)
Analog audio connections	RCA-type Line In (auto-detecting), Line Out, Subwoofer Out (auto-detecting)
Ethernet connection	4-port switch, 10/100Mbps, auto MDI/MDIX
Wireless connectivity	Sonosnet™, a secure AES encrypted, peer-to-peer wireless mesh network
Audio formats supported	Native support for compressed MP3, WMA, AAC (MPEG4), Ogg Vorbis, Audible .AA files (format 4), Apple Lossless, Flac (lossless) music files, as well as uncompressed WAV and AIFF files. Native support for 44.1kHz sample rates. See website for additional sample rates supported. *Apple "Fairplay" and Microsoft "Plays-for-sure" DRM-encrypted and WMA Lossless formats not currently supported.*
Audio services supported	Rhapsody 3.0+, Audible
Internet radio	Streaming MP3, WMA
Operating systems (for stored files)	Windows® 2000, Windows® XP, Macintosh® OSX, v10.3 and v10.4; NAS (Network Attached Storage) devices supporting CIFS
Internet connectivity	DSL, cable modem or LAN-based high-speed Internet connection required. *Internet functionality may require payment of separate fee to a service provider.*
System setup software (included)	PC (Windows 2000, Windows XP) or Mac (OSX v10.3 and v10.4)
Power supply	AC 120/240V, 50-60Hz, user-switchable
Dimensions	10.2 x 8.2 x 4.4 in. (260 x 209.5 x 113 mm), 10.0 lb. (4.5 kg)

Sonos™ Controller (CR100)

Gives you instant, wireless access to all your music and all your ZonePlayers, from anywhere.

Features

Wireless, handheld control	Control everything from volume to music selection in any room from anywhere. No more running back and forth to your PC.
Full-color LCD screen	Provides bright, clear display of choices and information, including album art, if available.
Scroll wheel selector	Makes it easy to scroll through large music collections and make selections.

Technical Specifications*

Screen	3.5" (diagonal) color LCD with LED backlight, 240 x 320 (QVGA)
Scroll wheel	Touch-sensitive scroll wheel with center-mounted selector button
Function buttons	9 backlit buttons, 3 soft-selector buttons below screen
Battery	Rechargeable Li-ION Polymer, factory-replaceable
Wireless connectivity	Sonosnet, a secure AES encrypted, peer-to-peer wireless mesh network
DC charger	Input AC 100-240V, 50-60Hz; Output DC 6V, 3.8A *Sonos Charging Cradle sold separately.*
Dimensions	6.5 x 3.8 x 0.95 in. (165 x 97 x 24.5 mm), 12.5 oz. (360 g)

* Specifications are subject to change without notice.
